

Attachment B - BUSINESS CERTIFICATION

Required for all applications

We, as applicants to the Governor's Energy Office for financial assistance, certify that the information, exhibits and schedules contained herein are true and accurate statements, and represent fairly the financial posture of the enclosed entity(ies) as of the date stated herein.

I/We give my/our unconditional consent to allow the Governor's Energy Office and/or the Colorado Office of Economic Development and International Trade and its agents to verify financial information, obtain business-related credit reports or discuss information regarding the company and its primary shareholders/guarantors herein with participants in the project or with other potential sources from which the company could obtain financing.

I further certify that the applicant has not been disqualified for contract awards by any agency of the state and is not in default under any contract with an agency of the state.
